

## **Index Page (Home Page)**

This section will contain fun and interesting facts about me along with a photo of myself. It will also be the source of the education section on my resume. This will include my university, college, GPA, deans list, major, and minors. Finally, it will have a list of goals I wish to accomplish.

## **Portfolio**

This section will contain examples of previous websites I have created. Also, it will have examples of graphic design works I have made. This section will also show my skills.

## **Experience**

Here I will go into detail about the previous jobs I have had. I will list mainly my related professional experience in my field. However, I will also include one or two of my previous part time jobs.

## **Contact Information**

This section will list my information and all ways to contact me.
